7:08 p.m. Meeting called to order

The meeting opened with the Director updating the Commission on the current Spring programs. Due to an extremely wet spring season with record rainfall, the baseball, softball and tee-ball programs have had many postponements. We are working in conjunction with the Little League on re-scheduling games and will extend the season to June 29.

The Commission members voted unanimously to re-affirm the policy that there is to be no trespassing after dark on any of the playgrounds and recreation areas under their jurisdiction.

A discussion was held on first-aid training for summer part-time personnel. A training course will be scheduled as soon as possible.

A request for a benefit from a part time employee was reviewed. The Commission members voted unanimously to deny this request and suggested the Director explore other possible solutions.

Paul Graham discussed his idea for developing land for a golf driving range in Belmont. All of the members agreed that this was an idea worth revisiting, especially during difficult economic times.

The Director updated the Commission on the hiring of the summer staff.

A discussion was held on improving methods of collecting the fees for private ice rentals.

The election of Commission Officers was held. Dan MacAuley was elected Chair, Stephanie King, Vice Chair and Noreen Millane, Treasurer. All were unanimous votes.
